VIKING HILLS NEIGHBORHOOD RECONSTRUCTION

Dear Residents:

Vernon Hills Road, Vernon Court and Gleason Court:

During the week of June 25, crews will begin restoring damaged landscaping, irrigation systems, pet fences, etc. They will also replace disturbed boulevard areas with black dirt. As the entire project moves forward, these areas will be restored with sod.

Arctic Way, Polar Circle, and Glacier Place:

Crews continue to install new sump drain service pipes behind the existing curb. Early next week, the sump drain pipes will be connected to the storm sewer system.

Grading operations are anticipated for early July.

Irrigation and Pet Containment

If your system is damaged from construction, the contractor has a kit to temporarily repair the system so the rest of your irrigation will work. These systems will be permanently repaired prior to site restoration.

Safety

Please remind your children to stay away from construction sites, construction machinery, and stockpiled materials. These sites, machines, and materials can be dangerous. Job site safety is our number one concern.

Who to Contact in an Emergency

During a life or property-threatening emergency, call 911. You may also call the Edina Police's non-emergency phone at 952-826-1600 for assistance. Dispatch has a contact list for the project.

Who to Contact with Questions and Concerns

Please feel free to contact me if you have any questions or concerns. I can be reached in the office at 952-826-0444 or akuznia@EdinaMN.gov

Please encourage your neighbors to sign up for City Extra emails.

Sincerely,

Aaron Kuznia
City of Edina – Construction Project Manager
